

Activity Plan

31st December

Theme: Numbers

Letter of the week: f

	Sunday	Monday	Tuesday	Wednesday	Thursday
Activity 1 (Art Room)	1 and 2 – Draw outlines of the numbers on A4 paper. Fill them with collage. When they have finished support the child in drawing the number on the chalkboard.	3 and 4 - Draw outlines of the numbers on A4 paper. Support the child in painting within the shape of the number. When they have finished support the child in marking the shape in salt on black paper.	5 and 6 – Cut the numbers from stiff card. Fill the shapes with crayon. Stick the numbers on a different piece of paper and draw around the shape	7 and 8 – Cut the numbers from black paper. Make each number look like a road. Get the children to drive a car around the shape. When they have finished support the child in drawing the number on the whiteboard.	9 and 10 – Fold an A4 sheet of paper. Paint the numbers with the children on one side of the fold. Fold the paper over so the number prints on the other side.
Activity 2 (Language Lab)	Focused reading time. Choose 1 story together with the children.	Learning about the English letter of the week: F f	Lay the musical instruments out. Count out and play a rhythm e.g. 1 12 1 123. Get the children to echo.	Learning about the Hebrew letter of the week	Focused reading time. Choose 1 story together with the children.
Activity 3 (Maths/Science room)	Create a car park from cardboard. Number each space. Put a sticker with a number matching a car parking space on the roof of each car. Support the children in parking a car in its corresponding place.	Lay out the animals. With the children group the animals according to number of legs. Crawl with 4 'legs', walk with 2 and wiggle on the floor with none. Move on the counting our body parts.	Number carpet number matching (pick a card and stand on the number)	Counting with number cards and buttons	Counting with number cards and buttons
Activity 4 (Gym)	Throwing bean bags into hoops and counting points	Ladder climbing - Number each rung of the ladder. Support the children in climbing and counting.	Running races	Yoga	Kicking balls to each other
