

Health Declaration

This form has been adapted from Hebrew, from the Ministry of Health requirements, set out in the Ministry of Labour regulations for the re-opening of gans. All children entering the gan must arrive on the first time they enter with this form completed and signed. Children will not be permitted to enter without this signed form.

Name of child	
ID Number of child	
Parents names	
Mobile Phones	
Date of completing this form	

I hereby declare that I will check my child's temperature on a daily basis. If the temperature on the day of the check and/or 2 days before was over 38 degrees, the child will not come to the gan, and we will notify the manager immediately.

I declare that I will update the manager of the gan with any change to the conditions listed above.
