

## Focus Activity | Session Plan | Zebras

Theme	Life cycle of a plant
Learning Intention	To know that a plant grows from a seed
Introduction	Cut an apple with the children, and open it to find the seeds inside. Pass the seeds around the circle for everyone to feel. Explain that a big tree grows from small seeds like this. Show the parts of a plant poster. Bring the plant from the lobby
Activity	<ol style="list-style-type: none"><li>1. Plant own seeds in pots</li><li>2. Sequencing cards – match the cards to the board with Velcro</li></ol> <ol style="list-style-type: none"><li>1. Put seeds (sunflower or pumpkin) inside the playdough to play with</li></ol>
Conclusion	Sing the song and do the dance of the trees. Show the presentation and explain the lifecycle of the plant again.
Resources to Prepare/use	<ol style="list-style-type: none"><li>1. Apple</li><li>2. Knife and chopping board</li><li>3. Plant from lobby</li><li>4. Sequencing cards with board and Velcro</li><li>5. Sunflower or pumpkin seeds, and play dough</li></ol> <ol style="list-style-type: none"><li>1. Laptop or tablet and presentation</li></ol>
